

# Youth & Competition Team Sponsorship

Local sponsorship opportunity supporting youth scholarships, competition teams, and training space improvements.

## Dear Community Members and Local Business Leaders,

Forge Pagosa Martial Arts is proud to invite you to partner with us through a local sponsorship initiative supporting our **youth athletes and competition teams** for the **2026 competition year** - including our **Boxing Team, Sanda Team, and BJJ teams and training groups**.

Forge is more than a martial arts gym. It's a place where young people build confidence, discipline, respect, and resilience. Our athletes learn how to show up consistently, work through challenges, and represent Pagosa with pride in training and in competition.

### Why we're asking for support

Our program is growing, and we are committed to keeping martial arts accessible for kids who need it most. Each year, Forge currently **gifts and scholarships up to \$10,000** in discounts and memberships to **at-risk youth and families in need**.

We are not a nonprofit, but we do the work of a nonprofit every day - investing time, coaching, structure, and opportunity into local youth. Now, we're looking to **partner and collaborate with local businesses** who share that commitment.

### What sponsorship supports

- Youth sponsorships and scholarships for at-risk youth and kids memberships in need
- Training and opportunities for competition teams (boxing, sanda, BJJ)
- Equipment upgrades and needed wall mats to improve safety and training quality

In return, sponsors receive meaningful local visibility through banner placement inside the gym, recognition on our website, mentions in our email newsletter, and sponsor features on our team event photo backdrop.

**100% of youth sponsorship funds go directly toward youth scholarships/discounted memberships and toward equipment and wall mats needed for training and safety.**

Thank you for supporting youth athletics and investing in the future of local kids.

**A note about impact:** Forge currently gifts and scholarships up to **\$10,000 per year** in youth discounts and memberships so kids who need structure, mentorship, and a safe place to train can still participate. Local business sponsors help make that possible - and help us build a safer, better-equipped training space for all athletes.
